caused several reactions, but only to see the market again ascend as soon as the selling was over. Wet weather delays to harvesting in the winter wheat crop bent acted as a further handicap to the bears in wheat. Corn quickly showed sympathy with the wheat advance. Besides wet weather predictions tended to lift the market and so too did export sales. Oats manifested a little hesitation at first, owing to the fine crop outlook. Later, however, the likelihood of in-

creased domestic demand for war puroses gave an advantage to the bulls 'n addition there were reported sales of 1,100,000 bushels to Eurpoe. Proislons scored a sharp advance afte n easy break. Expected liberal buying on the part of United States military authorities
